

Wynoochee Road, Phase III

Project Status:

The new roadway is really starting to take shape. This week, Rognlins nearly completed excavating the new roadway alignment, and began excavating unsuitable soil from the roadbed. Soon, they will construct a riprap ditch and reinforce the roadbed with geogrid and fabric, and begin importing gravel.

Traffic Impacts:

Expect delays up to 30-minute from 8:00 am to 6:00 pm Monday – Friday.

Safety Alert:

Watch for trucks hauling gravel to the work site. Always follow the directions given by Flaggers, and watch for equipment and workers on the roadside.

Upcoming Work:

August 4 - 8, 2014:

Work will include excavating the riprap ditch, reinforcing the roadbed, and hauling gravel.
