

## Wynoochee Road, Phase III

### Project Status:

Traffic is permanently switched to the new alignment.

Last week, Rognlin's completed the paving and installed erosion control devices on the cut slope.

The schedule for this week includes finishing the gravel on the shoulders, removal of the old roadway, and cleanup.

### Traffic Impacts:

Expect only minor delays from 8:00 am to 6:00 pm Monday – Friday.

### Safety Alert:

Watch for trucks entering and leaving the work site. Always follow the directions given by Flaggers, and watch for equipment and workers on the roadside.

### Upcoming Work:

September 8-12, 2014:

Work will include removal of the old roadway, cleanup, and hydro-seeding.
