

Wynoochee Road, Phase III

Project Status:

Work will resume on July 20, 2015.

The slope failure that occurred in October 2014 has stabilized.

Crews will begin excavating slide material from the slope and hauling it to a disposal site. Riprap will be hauled to the site and placed on the slope.

This work is expected to take approximately 2-weeks.

MP 13 Wynoochee River Road

Traffic Impacts:

Drivers should expect minor traffic delays. Delays up to 30 minutes could occur between 8:00 am - 4:00 pm Monday - Friday.
