

A template for this sheet is available on the FLH website at, <http://flh.fhwa.dot.gov/resources/design/plans/cfl/template/fp14/>

Do not include a title sheet for cross sections if the cross sections are included with the main plan set (not broken out into a separate plan package). This would be typical of a small project.

Provide an Index to Sheets that provides the page numbers for each Roadway, Approach Road, Parking Area, etc.
